FINANCIAL SERVICES

Financial intelligence. Fully automated.

Four AI agents. Four critical functions.
One unified platform.

Aiden AI

THE REALITY

Your best advisors are buried in operations.

Manual processes are costing you clients, speed, and revenue.

THE PLATFORM

AI that doesn't just assist — it acts.

AgentsHub deploys autonomous agents that run your workflows end to end.

01 — WEALTH MANAGEMENT

Every client. Every opportunity. Captured.

Wealth Intelligence Agent — portfolio rebalancing, tax optimisation, 360° client insight. 60% time saved per advisor.

02

02 — CREDIT DECISIONING

Weeks to hours. Automated.

Credit Intelligence Agent — spreading, stress testing, memo drafting.
70% faster decisions.

03

03 — CLIENT SERVICE

Resolve before they complain.

Client Experience Agent — omnichannel triage, proactive issue detection.
92% CSAT score.

04

04 — FINCRIME

Find the real threats. Faster.

Financial Crime Detection Agent — AI monitoring, AML, SAR drafting.
80% fewer false positives.

THE OUTCOMES

80% fewer false positives. 70% faster credit. 92% CSAT.

Four agents. Measurable results across every function.

ONE PLATFORM

One platform.
Four agents.
Complete intelligence.

Wealth. Credit. Service. FinCrime.
All connected. All autonomous.
