INSURANCE INTELLIGENCE

From Submission to Settlement — Intelligently.

Six AI agents. Every stage of insurance operations. One platform.

Aiden AI

THE REALITY

Insurance is drowning in manual processes.

Triage done by hand. Pricing done by intuition.
Claims reviewed by committee.

THE PLATFORM

AI-native insurance operations, end to end.

AgentsHub deploys six specialized agents across your full insurance lifecycle.

01 — SUBMISSION HUB

98% accuracy. 70% faster triage.

AI-powered OCR, NLP, and ML routing — every submission, every channel, 24/7.

02

02 — UNDERWRITING WORKBENCH

Risk decisions in hours, not days.

Automated scoring, intelligent pricing, real-time decision support. 60% faster.

03

03 — BROKER SOLUTION

3x faster quoting. 35% more revenue.

Multi-carrier AI quote comparison.
Real-time commission. Zero friction.

04

04 — POLICY ADMINISTRATION

80% automated. Zero manual errors.

Issuance, endorsements, renewals, cancellations — fully orchestrated, real-time.

05

05 — CLAIMS MANAGEMENT

65% faster settlement. 80% fraud caught.

FNOL to settlement. Graph-network fraud detection.
Straight-through processing.

06

06 — RISK & COMPLIANCE

100% audit trail. Zero gaps.

KYC/AML, sanction screening, real-time regulatory validation.
75% less manual review.

Transform your insurance operations.

Six AI agents. One platform. Submission to settlement.
